

Arion Care solutions, LLC

Adult Developmental Home (ADH) Program

Welcome to the Adult Developmental Home (ADH) Division! Arion now offers state-contracted services to oversee Adult Developmental Homes in Arizona. An ADH is a residential setting in a family home in which a licensed caregiver provides 24-hour care and supervision. These ADH members live with this host family in their own room while sharing his/her life experiences with the host family's life experiences.

- Applicants must be 21 years of age or older
- You must be of honest and reputable character
- You must have available space in your home
- All adults in the household must be fingerprinted through the Office of Special Investigations and all adults in the household must submit to a background check through Child Protective Services and Adult Protective Services
- All adults in the household must submit a Physician's Statement and submit to all other medical testing that may be required by your physician
- You must submit immunization records for each child in the home
- You must have the income or resources to meet the financial needs of the family and show proof of income and other resources
- You must complete the training process
- You must complete the interview process for the home study
- You must have reliable transportation, proof of insurance, and registration
- Your home must pass the state inspection
- You must be able to meet the needs of the adults placed in your home
